

## REMARKS

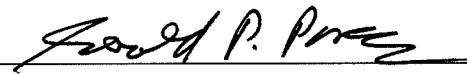

Amendment to independent claim 14 of the Examiner's Amendment is respectfully requested to correct two words:

1. The word "area" is believed to be an inadvertent typographical error, since the original claim text used the word "areas" and this appears to be correct.
2. The word "either" was inserted into the claim but the undersigned neither recalls nor do his notes of the February 1<sup>st</sup> and 5<sup>th</sup> telephone conversations with the Examiner show an agreement, or even any discussion, of this. Further, the position where "either" was inserted appears to be grammatically incorrect.

In addition, it is requested that claim 17 be cancelled. The undersigned just noted that the agreed upon amendment of claim 17 to depend from claim 14 makes it identical to claim 16.

Entry of this Amendment is earnestly solicited to correct the form of the allowed claims prior to a patent being granted on this application.

Respectfully submitted,
